ADDITIONAL LANGUAGES

Additional Language Learning is offered in the Junior School from Early Childhood onwards. Children are encouraged to choose a language they will enjoy learning and will hopefully have the opportunity to practice with peers or in the local context. For guidance on choosing a language see the "Why? Language" information in admissions. English is offered instead for students who are new to English or would benefit from EAL support lessons. The student will study the same language whilst they are in Junior School.

Write your language choice in the boxes provided below:
